## Chili Chocolate Cook Off

By Alaina Roberts

Do you like chili? Do you like chocolate? Well, if you like them both or not, here at SCJH we have a chili chocolate cook off. Let me tell you it is awesome. You need 6 dollars to taste all the wonderful creations. If you don't want to make chili or chocolate don't worry, we need judges to decide what chili and chocolate is the best. We are holding this on October 23, at 5:30pm. So make sure your appetite is ready.

## Sports

### Basketball At SCJH

By Corey Sipel

While soccer is at a holt, basketball tryouts will be happening at SCJH. If there are any girls who would like to tryout for basketball the tryouts will be held on the 29th of October. The boys tryouts will be held the 5th of November. We encourage everyone to try out for the basketball teams. Coach White said, "They will have to show us they can dribble, pass, catch, and shoot. Basically just show us what you got." Also SCJH will be having golf as one of our sports this year. See Coach White for more details about golf and basketball tryouts.

### Civics Class

By Francesca Russo, Katelynn

Wood, and Zahra Qizilbash

Officer Donald Hart visited Mrs. Devarney's 7th grade civics classes. He has been supervising SCJH for a little over one year. When officer Hart came into the class, he answered the questions the eager students had. There were questions from laws to different court cases. He talked about all different kinds of topics such as laws, court cases, detective cases, and much more. He also discussed the consequences of some of the cases. He even told us stories about what happened during his career.

### Lego Robotics By Andrew Seese

As I have seen many people have liked this class and i agree. I asked three how the Class is in general and they like it but they think that the days that we don't have days to test programs or build they are bored. The grades are fair but some people don't agree but he grades very great and that is what counts.I believe that this is a great class and elective.This class is available to 7th and 8th grade.

### SCJH Makes a Major Donation to H.A.L.O

By Katelynn Wood, Francesca Russo, and Zahra Qizilbash

By holding a contest between homerooms, SCJH students were able to collect over 1,000 pounds of pet food for the animals in need at the H.A.L.O animal shelter in Sebastian, Florida. This is a big donation for H.A.L.O because they have don't have enough money to buy a whole bunch of pet supplies. The National Junior Honor Society actually went to H.A.L.O to drop off the food. H.A.L.O is super happy to have all of that food.

### Student of the Week

By Isabel Truckner

Brad is in eighth grade, and his favorite subject in school is American History. On the topic of school, when asked what he liked to do *out* of school, he replied, "I honestly really love to play sports. The sports that I play the most often and love playing are baseball, football, and basketball." Later, when he was asked to explain his feelings towards going into high school next year, he said he is mostly nervous to be a freshman not only because he'll be the baby again, but also because he's going to a high school where he might not know too many people. Lastly, on a more fun note, Brad answered, "Honestly? Probably sweatpants or pajama pants. They're just so baggy to wear in public," in response to what question? What would you be SO embarrassed to be seen in but secretly love wearing. Try to answer it yourself!
